

Mobilising subnational and
business action

INDIA'S ROADMAP TO NET ZERO

Wednesday, 13 July – Thursday, 14 July 2022 • The Claridges, New Delhi

We're calling for bolder climate ambition & action

Supporting businesses and governments to commit and collaborate

India's Roadmap to Net Zero summit, a two-day event in New Delhi, will bring together leaders from Indian polity, business and civil society to celebrate India's accelerated ambition and action on climate.

You'll be hearing from influential speakers as part of four sessions spread across two days on how to drive climate action, fast. The summit will serve as a call for Indian stakeholders to take further climate commitments and leverage Climate Group's global initiatives as levers for bolder climate action.
